

Objective #1 - Expand worship opportunities

Council Champion(s): Jason Blackwell

GOAL 1a

Recruit, train and utilize more lay & youth leadership:

- 10 youth have been trained as Assisting Ministers. 6 have served at least once. Anne Monroe, with the pastors, is recruiting & scheduling youth throughout this school year. An additional step would be to recruit and train interested adults as Assisting Ministers.

GOAL 1b

Quarterly special & weekly alternative worship opportunities:

- Service of Prayers for Healing was offered (in addition to Advent & Lent) with very low attendance. Alternative worship design will be dependent, in part, on the worship survey results & follow-up work below.

GOAL 1c

Research & survey about Sunday worship:

- Survey was conducted in spring of 2015. Results are compiled but no follow-up work has been done at this time.
